Important Notes:

Days' Supply is determined based upon commonly prescribed daily quantities for all medications listed.

All liquid medications are measured under the quantity columns as milliliters.

Any medical conditions or categories noted are generalizations for classes of medications and may not be specific for all prescribed uses.

We reserve the right to modify or discontinue this program, add or delete items on our list, or change pricing on any item listed at any time. Changes or modifications will be posted on our website and supersede all previously published program information, lists and prices.

This program is subject to all applicable State and Federal regulations and laws.
